PROFESSIONAL EXPERIENCE

Qwik IT Services   New Brunswick, Canada
Frontend Engineer Intern   *Nov 2023 − Jan 2024, Internship*
- Worked with the senior developer to manage large, complex design projects for their Clients project.
- Used Tailwind CSS, React.js, and Next.js to build the Ul pages and custom actions.
- I have been responsible for developing and amending various features crucial to the product, such as implementing a user authentication page and functionality for a large number of users. I also implemented a responsive profile page for users.
- Also contributed to an e-commerce project by implementing essential features, such as product details, categories, filters, and authentication. These contributions enhanced the user experience and facilitated smooth operations.
- During the internship, I took the challenge of learning **Next.js** and **Django** and successfully implemented them in the company's projects.
